

Upskilling in welding and inspection to improve safety

# Application Form

South East Asia Skills Enhancement Programme (SEASEP) is a program to upskill people in South and East Asia countries with specific focus on improving safety standards in the work environment.

Under this program, financial assistance is available for Indian citizens wishing to pursue a career in Welding, Non-Destructive Testing (NDT), Occupational Health and Safety (HSE), Blasting and Painting, and plant Inspection.

SEASEP offers partial discount towards the cost of training. Any remaining course fees should be paid by yourself, your employer, a government schemes (e.g. apprenticeships) or other national or international charities.

In order to be considered eligible for a discount, you must be a national of India, agree to participate in marketing, promotion and similar activities in relation to the course and agree to the use of your personal data by TWI to fulfil its legal and contractual obligations.

Applications will be assessed so that those from underrepresented communities are afforded the opportunity to gain employment through upskilling or furthering their career in current employment.

**\*\*\* Please note that all fields on this application form are mandatory and must be filled in completely. Incomplete application forms would be voided and your application for bursary will be rejected.**

## PERSONAL INFORMATION
